GO WILD WITH US at THE WILD ANIMAL SANCTUARY

Join us for our 1st Saturday drive of 2011 as we take the scenic route to tour The Wild Animal Sanctuary in Keenesburg, Colorado (www.wildanimalsanctuary.org)

March 26, 2011—10:30 a.m., Meet at Starbucks, Northfield Mall
7990 Northfield Blvd., Denver

Exit I-70 to North Quebec St. In .2 miles turn east (right) onto Northfield Blvd.—Starbucks will be on your right in .3 miles

Enjoy a scenic drive to a wonderland of exotic and beautiful animals. Established in 1980, the Wild Animal Sanctuary is a 320 acre refuge specializing in rescuing, rehabilitation and providing life-long homes for large exotic and endangered captive wild animals. **Our tour will start at 12:00 p.m.**, and will last until about 1:30. After our tour, we will head a few miles west to Hudson, where we will have lunch (2:00 p.m.) at the **Pepper Pod** restaurant located just off Exit 131 off I-76 (I-76 & Hwy 52). The Pepper Pod has an extensive, reasonably priced menu—with most items made from scratch.

We plan to leave from Starbucks promptly at 11:00 a.m. Because lunch will not be until 2:00 p.m., we recommend having breakfast prior to leaving for the Sanctuary. **Cost for entry to the Sanctuary is \$10 per person (to be paid with your registration).** Lunch at the Pepper Pod (www.thepepperpod.com) is on your own. **For more information contact Jay Hokanson at 303-935-8270 or jhokanso@comcast.net.** Deadline to register is March 21, 2011.

President, Mile-High Section

Mercedes-Benz Club of America

Why Did You Join?

As you might expect, people join the Mercedes-Benz Club for different reasons. Many join just to receive *The Star* magazine, because of the great technical articles. Others are happy just to receive the discount on parts or labor at the dealership. But thankfully, a few dozen or so belong for the activities that the Mile-High Section arranges each year. Whether it be "tech" sessions, rallies, Saturday drives or just the social aspects, you are the folks that make the Mile-High Section what it is - a vibrant group of folks that love to do car "stuff".

That being said, feedback from you, the active members of the Section, will allow your board to provide the types of events that will bring more people out of the house and away from the television to participate with us. Perhaps you have a great idea for an event that we have never done before. Or, you might like to see more of "this" or less of "that".

So, take the opportunity to let your voice be heard, and therefore become an actual "member" of the Mile-High Section, not just a bystander.

Drop me an email at mbca@comcast.net, or send an email to any of the other Board members. We'd love to hear from you!

Enthusiastically,
Harvey

Spring is just about here and it's getting close to Rally season and Car Show season. It's also the time of year your Mile-High Section Board gets together to wine and dine our new members. **On Saturday, April 30th**, your Board will host a Welcome New Member BBQ at the home of Randy and Phyllis Williams at 9704 N. Display your Mercedes Indoors at The Forney Museum of Transportation Nov. 1, 2011—Jan. 31, 2012

The Forney Museum of Transportation is scheduling a special three month long indoor show just for Mercedes vehicles in the center of their Museum from November 1, 2011 through January 31, 2012.

They have a few Mercedes of their own, but need about 20 vehicles from Mercedes-Benz Club members to complete the display. They are primarily looking for pre-1985 vehicles and a few select newer vehicles.

They would especially love to display any pre-war vehicles and vehicles from the 40's, 50's and 60's. Christof Kheim is the Director of the Forney and a longtime MHS Member. **There is no cost to display your Mercedes, and you get a warm, indoor place for your Mercedes for 3 months next winter.**

If you would like to display your pride and joy and honestly be able to say your vehicle was in a nationally recognized museum, contact Christof at the Forney at 303-297-1113, or stop by and see where your Mercedes will be displayed.

For tracking purposes, please advise Jay Hokanson via email at jhokanso@comcast.net or by phone at 303-935-8270, if you are going to display your Mercedes.

Driving a MB through the countryside is fun.

Driving, or riding, with friends in a Mercedes is even more fun!

- By Reiner Haubold

Since Mile-High Section members enjoy driving events, the MHS Section

Board is working to include more driving events in the MHS activity schedule — for example, our Saturday drives. The Board plans our Saturday drives as a short, one-day drive, with a stop for lunch or dinner and some special activity. Our next Saturday drive is March 26th to the Wild Animal Sanctuary. Also planned is an April trip to the state-of-the-art Anschutz medical campus. Suggestions from the membership for future events are welcomed.

We have many members who drive sedans and SUVs that would be able to accommodate an extra passenger or two. Others might be driving alone and would welcome a driving buddy.

Quite often someone would like to participate in a driving event, but for some reason is unable to drive, does not want to drive, or may not want to drive alone.

In order to create a win-win solution, prospective participants are encouraged to communicate their driving needs with other participants. With a little cooperation between members these driving events could be even more enjoyable and help promote camaraderie among our members.

My wife, Carol, and I try to participate in as many events as we can. And, since I drive our sedan or station wagon, not an SL, we have extra space for many of these trips. Thus Carol and I hereby offer anyone interested in riding along to contact us. We welcome the company. We can be reached at 303-986-5035 or by email at reinbold1@comcast.net.

You can also sign up to ride or drive using the **Registration Form on Page 7.**
