Behind the Wheel

With Jay Hokanson,
President, Mile High Section

Spring is here and so are our two big Car Shows of the summer. But before we head off to the car show it's time to get your car detailed. If you like to do that job yourself, **Detailers Paradise on May 31st is the place to be.** This year's topic will be interior care and how to care for the rubber items on your vehicle. They will have exclusive discounts that day for MHS members, so it's time to stock up on your supplies. I restock my kit every year with their discounted products.

Our first car show this year will be at Arapahoe Community College on June 8th. This show supports the kids benefited by CP of Colorado. It's been a particularly tough year for donations and sponsorships so please plan to show your Mercedes, come visit the show or make a donation. **If your company or the company you work for would like to help sponsor this worthwhile cause, contact Sandi Mariani at CP of Colorado at 303-691-9339, ext. 1162.**

Due to construction in Cherry Creek North, **MHS's annual Make-A-Wish Charity Car Show has been moved to a parking area off the main street in the town of Morrison on June 28th.** We have an exclusive paved area that is right across the street from some of Morrison's popular restaurants. Show your car, come see the cars, make a donation and then browse the shops in Morrison, have breakfast or lunch— but don't forget to **save room for dinner at the North Woods Inn after the show.** Check www.milehighmbca.org for a map to the show.

Deborah and I found a nice SLK230 this spring which you will see in the shows this summer as well as on the rallies and the big MHS tour in September. The September tour has generated a lot of interest and the tour committee has quite a few names already tentatively penciled in. For information on the September tour, see the article on Page 6, or you can email Reiner Haubold at reinbold1@comcast.net.

17TH ANNUAL MAKE-A-WISH CHARITY CAR SHOW MORRISON, COLORADO JUNE 28, 2008 - 10:00 a.m.—3:45 pm

There's no better way to spend a Saturday than showing off your favorite Mercedes-Benz or just looking at the finest Mercedes-Benz cars in the area. Saturday, June 28th, is the day for the Mile-High Section's annual Make-A-Wish Charity Car Show. Because of construction in Cherry Creek North, this year's site will be a private parking area in Morrison, across from the Cafe Prague. Take C470 to Morrison Road, then go west on Morrison Road to Morrison, and it's the only parking lot on your left. See map on www.milehighmbca.org.

This year will be our first at this great location, and again the show will benefit the Make-A-Wish Foundation. Over the years we've donated more than \$43,000 to this local charity. If you have yet to show your car, this is the year to do so. The show will run from 10 a.m. until about 3:45 p.m., so stop by and enjoy the sights. As in the past, we will enjoy a specially-priced steak dinner at the North Woods Inn afterward. The North Woods Inn is located on the SW Corner C-470 & Santa Fe (Behind Diamond Shamrock). Sign up now using the reservation form below. We'll call everyone showing a car to give you an arrival time, so everyone doesn't show up at once. Start shining up your Mercedes-Benz, and let's support this excellent event.

For more information about the Car Show, contact Richard Thaemert at 303-722-6754. Thanks, and we'll see you all there!

In 2008 The Make-A-Wish Foundation of Colorado Celebrates 25 Years of Granting Wishes

The Make-A-Wish Foundation of Colorado grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. The Foundation will consider the wish of any child diagnosed with a life-threatening medical condition who is between the ages of 2-1/2 and 18 and lives anywhere in the state of Colorado. A child can be referred to Make-A-Wish by a parent, the child or medical personnel. You don't have to enter a car in the show to help support this great organization! There is a space on the form below to enter a donated amount.

CHERRY CREEK COLLISION TREATS MHS MEMBERS TO OUTSTANDING MULTI-COMPONENT TECH SESSION

On a beautiful Saturday morning, members of the Mile-High Section gathered at **Cherry Creek Collision** where our host, Steve Zinanti, treated us to a great tech session, introducing us to the world of dent repair, paint protection and the overall umbrella of protection offered by American National's CHROME insurance.

While enjoying a light breakfast brunch CCCI gave us an overview of the auto repair process and how to get the most from your insurance company. **CCCI, Colorado's only fully certified Mercedes body repair shop**, explained the process from the moment of impact through the repair and the return of your Mercedes in safe condition and looking as good the day it was manufactured. **For more information contact CCCI at 303-722-9404.**

Robert & Donna Erhart from Clearly Protected, an Invisible Auto Bra company demonstrated installation on a vehicle and explained how their product can protect the front of your Mercedes from stone chips, bugs and other small flying objects. An interesting detail was that they can protect those expensive Mercedes headlights from stone chips as well. **Contact Ron or Donna at 720-220-0835 or 720-939-0814.**

Joel Knight from Press-A-Dent demonstrated the tools he uses and then took the dents out of two vehicles for us including an aluminum panel in a newer Mercedes CL. Dents can be removed for as little as \$65 while a full panel repair will be several hundred dollars if taken to a conventional repair shop. **Contact Joel at 303-520-5984.**

Paul Leuenberger from American National Insurance talked about their **CHROME insurance**— an Insurance product that the car buffs at American National developed for car buffs everywhere. They can insure your classic, antique, hot rod, kit car or exotic vehicle for less than you might imagine. American National Insurance can also insure your newer vehicles and even your home as a package with your classic vehicle. **Contact Paul at 303-662-0789.**

THE MHS THANKS CCCI, ROBERT & DONNA, JOEL AND PAUL FOR SPONSORING THIS EVENT.

CLASSIC CARS DESERVE CLASSIC RATES

DISCOUNT HOURLY RATE FOR OLDER MERCEDES-BENZ

We know you already consider your Mercedes-Benz a classic, even if it's only from the mid-1990s. Why would you trust your old friend to anyone besides the factory-trained Mercedes-Benz certified technicians at Mercedes-Benz of Westminster's state-of-the-art service center?

If the answer is price, please know we offer a reduced labor rate of \$90/hr. on all 1997 and older Mercedes-Benz vehicles. Beyond expert service, this very competitive rate includes:

- 1 year/unlimited mileage warranty on all work
- free pick-up and delivery throughout the Front Range
- complimentary courtesy vehicles
- free hand wash and vacuum with every visit

Independent garages can not approach this level of service, and other dealerships charge around \$115/hr for much less. Mercedes-Benz of Westminster also carries the region's largest inventory of genuine Mercedes-Benz parts, including hard-to-get items.

Finally, a professional service department that understands you shouldn't have to be covered by a warranty to deserve respect and value.
